### ERDC FAMILY ACKNOWLEDGMENT

DELC determines eligibility, authorized hours, maximum payment, and the family copay. Silly Billies bills its normal rate for the contracted care and does not charge an ERDC family more solely because the family uses ERDC. The family remains responsible for the copay and any agreed amount not paid by DELC, subject to the signed contract and applicable law.

### LATE PICKUP FEE

Families must leave by the contracted closing time and call immediately if an emergency causes delay. 1st late pickup: warning; 2nd: support and documentation; 3rd: \$15 per 15 minutes; 4th: \$30 per 15 minutes; 5th: \$60 per 15 minutes; 6th: \$90 per 15 minutes. Continued lateness requires a conference and dependable backup plan.

## Acknowledgment and Signatures

By signing, we confirm the program, location, schedule, rate, and funding information above. We understand that this agreement works with the current Parent & Family Handbook and program calendar. This agreement is valid for one year from the effective date unless replaced or ended earlier in writing under the contract and handbook.

## WEATHER AND SCHOOL-DISTRICT CLOSURES

Silly Billies follows Pleasant Hill School District delays and cancellations for inclement weather. If the district delays or closes, Silly Billies will communicate the applicable program change through Brightwheel and other established family contacts.

Silly Billies generally operates during parent/teacher conferences, grading days, and other planned no-school days unless the program calendar or a family notice states otherwise.

## TUITION DURING ABSENCES AND CLOSURES

Tuition and contracted fees reserve the child's space, schedule, and program access. Unless the written contract states otherwise, tuition is not reduced or credited for a child's illness, family vacation, appointments, transportation problems, a family's decision not to attend, weather interruption, or a scheduled closure included in the calendar. Unusual extended circumstances may be reviewed individually and confirmed in writing. The most current written program calendar controls additional planned closure dates.

Families receive notice of meaningful changes through Brightwheel and other established communication methods.
